Brand NEW color resin!!

LED & UV  
Color Art Resin

The Kit Workshop allows experienced students from our regular resin workshops to have free access to our workshop UV resin, UV lamps, and tools to put together the UV resin kits that they have purchased. Resin instructors will be available to assist with questions, however, students will mainly be working solo during kit workshops.

Limited quantities available for workshops while supplies last. • Kit Workshop; able to pick any kit(s). All components included. Free use of resin and tools.
