## DIRECTIONS

Stamp Kokeshi Doll design onto the white cardstock. Color in the design with the colored pencils. Use the corner rounder to round out each corner.

Place the finished piece in between the laminating sheets and laminate. Trim the excess laminate from the edges and round out the corners.

Attach the laminated piece to the mini clothespin with the double stick tape.

*OPTIONAL:* Add a piece of magnetic strip to the clothespin with the double stick tape.

Clip finished piece to notes, cards or small gifts.
