DIRECTIONS

1. Put a 4 mm. Firepolish Opaque white bead on to a 1 in. headpin and make a loop on the end of headpin until the bead is secure.

2. Put an 8 mm. Firepolish crystal AB bead, 7 mm. silver disc, and a small red teardrop bead onto a 2 in. headpin and make a loop on the end of the headpin until the beads are secure. Trim excess wire with a flush cutter if desired.
3. Attach the earlier and repeat steps for the other earring.
