TOOLS:

- Chain Nose Pliers x 2
- Wire Cutter
- 30154405 6-Step Bail Making Pliers

DIRECTIONS

1. Cut the chain into two 3 inch lengths.
2. Replace the oval jump ring from the heart charm with a 3mm jump ring. Attach the oval jump ring to the end of one of the chain lengths.
3. Take 3 inches of 24 gauge wire, at 1 inch in from one end, use a chain nose pliers to create a 90 degree angle. Using the smallest step from the 6 step pliers, create a small loop at the bend. Slip into the loop the opposite end of the chain that has the oval jump ring and wrap the wire closed. Trim off the excess wire after the wrap.
4. Slip onto the wire 5 gemstone beads, the heart charm, and 5 more gemstone beads.
5. Use a chain nose pliers to create a 90 degree angle after the last bead. Using the smallest step from the 6 step pliers, create a small loop at the bend. Slip into the loop the end of the other 3 inch chain length and wrap the wire closed.
6. Using the two chain nose pliers, attach the lobster claw clasp to the end of the chain with a 3mm jump ring.
