Center Variation

Ch 5, slip stitch to form a ring.

2. Ch 4 (count as first dc), 3 dc in first stitch.

3. 4 dc in each remaining stitch. (You will have a total of 20 dc.) Slip stitch together and bind off. Optional – Use a small piece of the contrasting net and whipstitch into the circle for added interest.

Work the petals as for the original version.

Note: Hide your net ends by crocheting over them to secure. You can also weave the ends into your work to keep them from becoming loose. You might want to take a few stitches with needle and thread as extra insurance.
