## ST. PATRICK'S "LUCK OF THE IRISH" WREATH

### SUPPLIES & TOOLS

- 18-inch Wire Wreath Form
- Chenille Stem 12-inch, Gold (x18)
- 10-inch Deco Mesh, Gold
- 2.5-inch Wired Ribbon, Green
- 2.3-inch Smooth Foam Ball (x6)
- 12x2.5-inch Wood Slat
- Acrylic Paints - Green, White, Gold
- Posca Paint Pen, Black
- Fine Glitter, Gold
- Modpodge Gloss
- 1-inch Paint Brush
- Hot Glue Gun & Glue sticks
- Wire Cutters

### INSTRUCTIONS

1. Paint the Smooth Foam Balls with Gold Acrylic Paint. Once dry, coat with the Modpodge and sprinkle the Gold Glitter around the ball.
2. Ombre paint the Wood Slat with White and Green acrylic paint. Once dry, write onto the surface with the Black Posca Paint Pen, "Luck of the Irish".
3. Cut 36-pieces of 6-inch Chenille Stems with the wire cutters.
4. In each section twist and secure 4 stems on the Wire Wreath Form, 2 stems on the second wire row, and 2 on the 3rd wire row.
5. On the first outer section of your Wreath Form, take about 1-inch of the Deco Mesh, fold over and tie a half bow to the Wreath Form. Continue until you reach the end of the first section then move up to the inside of the Wreath Form section. Then repeat the same steps to fold and tie on to the Wreath Form.
6. Gather about 5 to 6-inches of Deco Mesh with your hands, pinch and hold it with your fingers. Place this pinched part of the next stem in the middle and twist the pipe cleaner around it to hold it in place.
7. Cut 16-pieces of 9-inch Green Wired Ribbon. Twist 2 pieces of ribbon on the outer part of your wreath to evenly space it.
8. Attach the wood piece in the lower middle of the wreath and the gold balls around with the Hot Glue Gun.
9. To enhance your wood piece, make 3 bows and place it towards the center part of wreath.
