## INSTRUCTIONS

1. Print out three different monstera leaves approx. 3-4" in length and trace or draw freehand with a Fine point Sharpie, green is ideal but not required. Cut out with Detailed Scissors. With the 1/4" Hole Punch, punch a hole at the top no less than 7mm from the edge of each leaf.
2. On the matte side, color the leaf cutouts. First, apply the blending solution over the entirety of the surface. Add in the alcohol inks, a little goes a long way. Then with the Alcohol Ink applicator, you can blend, pick up, or move the inks around. Once the desired coloring is set, let dry completely.
3. From the Shrink Film Tool Kit, place the silicone mat down with one colored monstera cut out on top. Next, place the screen mesh over it. With the Heat Tool, move around over one piece. Do not flatten with the flattening tool to keep the natural look. Repeat this step on the remaining two cutouts.
4. With the Wire Cutters, cut the Jewelry Chain, approx. 7" in length. Open a 5mm Jump Ring with your Jewelry Pliers and attach one of the chains and a lobster clasp onto it, close the Jump Ring.
5. Open another Jump Ring. Attach a monstera leaf to it and attach it to the middle of the chain, close the Jump Ring. Repeat this step for the remaining two leaves, spread out evenly on the chain.
